# Fundu

- Ossu oan husu WFOO ba WaSH
- EWB oferese ajudu
- EWB vizita Ossu no hakerek relatóriu
- WFOO vizita iha fulan Abril 2016; halo konsulta ba comunidade
- WFOO simu / hatan atu fo fundu hodi halo estudu
- WaterAid kompromete / halo estudu enjeñaria iha fulan Juñu 2016; ida ne'e sai hanesan baze ba projetu Ossu WaSH
- Kestaun maka: Sistema kanalizasaun nebe la funsiona / la lao ho diak; laiha rekursu ba manutensaun; level ijiene no saneamentu la diak ba saude públiku.

March 2017 V4

# Background

- Ossu people asked WFOO for WaSH
- EWB offers help
- EWB visit Ossu & write report
- WFOO visited in April 2016; community consultations;
- WFOO agrees to fund a study
- WaterAid undertake engineering study in June 2016; this becomes the basis for the Ossu WaSH project
- Issues include: Pipe systems not working properly; no resources for maintenance; level of hygiene & sanitation not good for public health
